

DC84

This is the very first rectangular design in this genre! Not only does the DC 84 satisfy all the stringent quality standards, but it is also perfectly geared up to various applications, such as in swimming pools, patios, saunas, jacuzzis, etc.

The DC84 even goes to extremes, even indoors.

TECHNICAL SPECIFICATIONS

range	<50m ²
sound quality	allround
system	2-way
woofer	6,5" polypropyleen carbon cone
tweeter	0,5" dome
