

E5T

Its unusually strong frame conceals a technical tour-de-force that produces powerful sound. The specially designed double woofer guarantees a warm sound that carries over unusually long distances. The curved design ensures that your favourite music will be distributed throughout the entire room. The E-loudspeaker is available in black or white, and comes complete with the multi-functional bracket.

- ① The gold-plated connection modules for the loudspeaker cables guarantee optimum conduction.
- ② This specially designed bracket is multi-functional. You can use it as a base, wall bracket or even as a ceiling bracket. Thanks to the ball and socket joint, you can align it in any direction you like, using each of the three options.

system	2-way
woofer	5" dual paper cone
tweeter	1" titanium dome
max. power	140 W
nominal power (RMS)	70 W / 20 W in 100 V
dB (1W/1m)	89 dB
impedance	16 ohm / 100 V
frequency range	60 Hz - 20 kHz
dimensions mm (h x w x d)	355 x 180 x 255
weight	4,5 kg / piece
colour	white / black
extra	damp resistant protection system ABS Plastic sound units complete with wall bracket switch button 100 V/16 ohm
