

## SQ2060

Intiimi is the Finnish word for purity. And purity is precisely the DNA that makes up this new high-end inwall speaker series. With a nearly frameless grill measuring a mere 1 millimetre, and a thickness of just under 5 millimetres, it breaks with all contemporary standards. The titanium driver with neodymium magnet and patented® suspension allows you to point it in any desired direction. The Intiimi series purifies the signal from the amplifier via an advanced separation filter and a correction filter. This SQ2060 is sleek and particularly powerful, warm and flexible, and ideal in both large and small rooms. It is also suitable for top-of-the-line home cinema sets.

### DIMENSIONS

### TECHNICAL SPECIFICATIONS

range	<50m <sup>2</sup>
sound quality	warm and detailed
system	2-way coaxial
woofer	6" neodymium
tweeter	1" neodymium titanium dome
max power	120W
sensitivity	87dB
impedance	4-8Ω
frequency range	58Hz - 20kHz
dimensions cut-out (Ø)	210 x 210mm
dimensions (Ø x d)	235 x 235 x 100mm
weight / piece	1,8kg
housing	ABS
colour	white
extra	paintable

A loudspeaker doesn't stand out by being visibly noticeable; this is the essence of the SQ2060.
